Professional golf returns to TPC Colorado as part of Korn Ferry Tour's revised schedule

Tournament will be closed to the general public due to COVID-19

BERTHOUD, Colorado – The Korn Ferry Tour announced today additional modifications and details regarding the restart of the 2020 schedule and a fall calendar of events that will be part of a one-time, combined 2020-21 Korn Ferry Tour season. Included in the revised schedule is a new date for the 2020 TPC Colorado Championship at Heron Lakes, which will be contested the week of June 29-July 5 at TPC Colorado.

The 2020 TPC Colorado Championship at Heron Lakes was originally scheduled for the following week, the week of July 6-12. The TPC Colorado Championship at Heron Lakes will be closed to the general public as Tour officials continue to monitor the COVID-19 situation and follow the recommendations of local and state authorities in order to determine the most appropriate on-site access.

“We know the special role our tournament plays in the community by bringing professional golf to Colorado on an annual basis. We are saddened in not being able to invite our surrounding neighbors, but our main focus remains keeping our community safe. We look forward to being able to come together and watch professional golf while supporting local charities on the Front Range again in 2021,” said Tournament Director Drew Blass. “Nonetheless, we are excited to announce the new date for the TPC Colorado Championship at Heron Lakes as it provides the opportunity for the Korn Ferry Tour players to return to competition, so long as it is deemed safe to do so under the guidance of leading public health authorities. TPC Colorado is a great host venue and will present a true test for these world class golfers.”

The announcement of a fall schedule comes after the PGA TOUR announced last week that, due to circumstances related to the COVID-19 pandemic and the cancellation or postponement of 13 events from the 2019-20 TOUR Season, eligibility has been extended for exempt 2019-20 PGA TOUR members for the 2020-21 season. These adjustments will result in the Korn Ferry Tour

not having a graduating class in 2020; however, the TOUR has established a performance benefit for the top 10 from the Korn Ferry Tour points list following the conclusion of the Korn Ferry Tour Championship presented by United Leasing & Finance. Those players will be granted access into all PGA TOUR additional events for the 2020-21 season.

The newly created 2020-21 Korn Ferry Tour schedule that will bridge two seasons will conclude with 25 PGA TOUR cards awarded at the 2021 WinCo Foods Portland Open presented by KraftHeinz, with an additional 25 cards awarded at the conclusion of the 2021 Korn Ferry Tour Finals.

With six events completed through the El Bosque Mexico Championship by INNOVA, the remaining 2020 schedule – subject to change – now consists of 23 events. Korn Ferry Tour events to be contested in 2021 as part of the combined 2020-21 schedule will be announced later this year.

The restart to the 2020 Korn Ferry Tour season will begin as previously announced with the Korn Ferry Challenge at TPC Sawgrass in Ponte Vedra Beach, Florida. The event will now be one of four new events in the first six weeks back to play that have been created by the Tour to make up for the cancellation or postponement of events affected by COVID-19.
